Ref.: Integrated National Energy and Climate Plan of the Republic of Serbia for the period up to 2030 with projections until 2050.

Dear Minister,

With reference to the provisions of the Protocol on Strategic Environmental Assessment to the Convention on Environmental Impact Assessment in a Transboundary Context, we hereby inform you that the Republic of Serbia is in final phase of development of the Integrated National Energy and Climate Plan of the Republic of Serbia for the period up to 2030 with projections until 2050.

Pursuant to Article 10 of the Protocol on Strategic Environmental Assessment to the Convention on Environmental Impact Assessment in a Transboundary Context, please find enclosed the following documentation (CD):

- Notification to an Affected Party of Proposed Activity under Article 3 of the Convention;
- Report on Strategic Environmental Assessment for the Integrated National Energy and Climate Plan of the Republic of Serbia for the period up to 2030 with projections until 2050 in English and Serbian languages;

- Integrated National Energy and Climate Plan of the Republic of Serbia for the period up to 2030 with projections until 2050.

Please confirm that you will be able to take part in the cross-border consultations concerning the strategic assessment of the aforementioned Plan. We would very much appreciate if you could send us your input and/or suggestions within 30 days of receipt of this letter.

Sincerely Yours,

MINISTER
