OBSERVATION

ON INVESTMENT PROPOSAL “SAND AND GRAVEL EXCAVATION FROM ALLUVIUM DEPOSITS IN THE BED OF RIVER DANUBE, MISHKA SECTION (FROM KM 462.0 TO KM 459.4) IN THE AREA OF BABOVO VILLAGE, MUNICIPALITY SLIVO POLE, RUSE REGION” WITH CONTRACTING AUTHORITY “GRAVEL AND SAND PITS BULGARIA” EAD, SOFIA

DEAR LADIES AND GENTLEMEN,

We approve the decision of the Minister of MOEW for performance of impact assessment for the investment proposal *“Sand and Gravel Excavation from Alluvium Deposits in the Bed of River Danube, Mishka Section (from km 462.0 to km 459.4) in the area of Babovo village, Municipality Slivo pole, Ruse Region”* with Contracting Authority “Gravel and sand pits Bulgaria” EAD, Sofia.

The found deposits are coordinated with the Executive Agency for Maintenance and Exploration of River Danube /EAMERD/. In the Decision of the Minister for performance of Impact Assessment, carefully are mentioned the protected zones under NATURA activities for public discussion with the local communities, consultations for transboundary impact with Romania. In the Decision the range of experts, to perform the assessment is correctly defined: Phyto-cenology, Hydrobiology, Ornithology. We hope that the state controlling body and the independent experts for EIA shall assign objective monitoring and mitigating measures for the fragmentation of the natural habitats and the habitats of species, as well as for noise, vibrations, wastes, hazardous emissions with impact on human health.
