

**THE NATIONAL INFORMATION DAY BY
EUROPEAN UNION INNOVATION FUND, SOFIA, BULGARIA**

03 February 2026 (online)

Lecturers from the Directorate-General for Climate Action, the European Climate, Infrastructure and Environment Executive Agency and the European Investment Bank will update on the Innovation Fund open calls in 2026 and Project Development Assistance. The event aims to present the financial mechanism - objectives, scope, novelties and to encourage the active participation of Bulgarian enterprises under the Fund.
