In connection with your letter Ref. No BMM/0044/9.06.2010, on behalf of an interested party: a coalition of civil organizations, this is to declare our willingness that constant monitoring be included in the Scope of Work for the EIA preparation for your Investment Project for Mining and Processing of Gold Ore from the Ada Tepe Prospect Khan Krum Deposit, Krumovgrad, as the monitoring is to be carried out by experts and proactive members of NGOs on the progress and results of the archaeological studies at the concession area, from the start of the EIA preparation to the review by the Supreme Environmental Council.
