

MINISTRY OF ENVIRONMENT,  
WATERS AND FORESTS

MINISTER'S CABINET

Reg. no. DGEICPSC/63996/ 31.12.2025

To: Ministry of Environment and Water of the Republic of Bulgaria

In att: Mr. Manol Genov, Minister

Ref: Notification under the Espoo Convention on Environmental Impact Assessment in a Transboundary Context of the project „Construction for the operation of a wind farm consisting of wind power plants 48 (46) wind power plants approx. 316.8MW (303.6MW), transformer stations, electrical connection networks, construction and modernization of communication and access routes, commune Cerchezu, Constanta County”

Dear Mr. Minister,

The Ministry of Environment, Waters and Forests of Romania sends cordial greetings to the Ministry of Environmental Protection of the Republic of Bulgaria and particularly appreciates the bilateral cooperation in the field of environmental protection.

In accordance with Article 3 of the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo Convention), we hereby notify you about the following project „Construction for the operation of a wind farm consisting of wind power plants 48 (46) wind power plants approx. 316.8MW (303.6MW), transformer stations, electrical connection networks, construction and modernization of communication and access routes, commune Cerchezu, Constanta County”. Please take into consideration that transboundary Strategic Environmental Assessment (SEA) procedure for the Zonal Urban Plan "Wind Energy Farm 48 (46) - Wind power plants with a capacity of approximately 316.8 MW (303.6 MW), transformer stations, electrical networks for connection, construction and modernization of communication and access roads, located in Cerchezu commune, Constanta County", has been carried out with the Republic of Bulgaria, within the course of the year 2025.

The location of the energy park is in the immediate vicinity of the border with Bulgaria. All structures related to the wind farm (wind turbines, transformer stations, electrical connection networks and communication and access routes) are located on the territory of Romania and do not affect the Bulgaria's national territory and do not impose any restrictions on the boundaries of the Republic of Bulgaria. Supplementary, we would like to mention that compared to the Zonal Urban Plan phase, no changes were made to the parameters, specific indicators of the project, the locations within the investment objective and the technical documentation at the Project phase.

Therefore, we are enclosing to this letter the Notification form along with the Presentation Memoire, both in English and Bulgarian language. These documents will be sent electronically, to the Bulgarian focal point, Ms. Teodora Kitova, Head of Department, "Environmental Assessment, Environmental Impact Assessment and Pollution Prevention" Directorate, at the e-mail address [teodora.kitova@moew.government.bg](mailto:teodora.kitova@moew.government.bg) as well as to the [espoo\\_eia\\_sea@moew.government.bg](mailto:espoo_eia_sea@moew.government.bg).

In this respect, we would appreciate if you would send us your response regarding your intention to participate in the transboundary EIA procedure for the mentioned project, until 30<sup>th</sup> of January 2026, or if you have any additional aspects that you would like to address during the project phase.

We take this opportunity to express our appreciation regarding our fruitful cooperation and our willingness to continue it in the future.

Please accept, Mr. Minister, the expression of my high consideration and esteem.

**Diana-Anda BUZOIANU**

**Minister of environment, waters and forests**
