Ref.:

SEA procedure for the Integrated National Energy and Climate Plan of Romania 2025-2030, Updated

Dear Minister Genov,

Based of the provision of the *Protocol on Strategic Environmental Assessment to the Convention on Environmental Impact Assessment in a Transboundary Context* (SEA Protocol) and in accordance with article 7 para. (1) of Directive 2001/42/EC *on the assessment of the effects of certain plans and programmes on the environment*, we have the pleasure to notify you about the transboundary SEA procedure regarding the Integrated National Energy and Climate Plan of Romania 2025-2030, Updated.

The notification is being sent to you in particular due to the characteristics of the Plan and taking into account Romania's international needs and obligations.

In this respect, we would like to receive from you, by 21<sup>th</sup> of July 2025 (at the latest) any comments or questions regarding the transmitted SEA documentation. Therefore, we are enclosing to this letter the mentioned Plan, the Environmental Report and the Appropriate Assessment Study, translation into English language. Please note that if your comments are not received by the set deadline, it may cause that your requests cannot be taken into consideration.

We take this opportunity to express our appreciation regarding our fruitful cooperation and our willingness to continue it in the future.

Please accept, Mr. Minister, the assurance of our highest consideration,

Mircea FECHET

Minister of environment, waters and forests
