To: Ms. Rositsa Karamfilova-Blagova, Minister
        Ministry of Environment and Water, Republic of Bulgaria

Ref: Notification under the Espoo Convention on Environmental Impact
        Assessment in a Transboundary Context of the project " Increasing the amount
        of electricity generated from renewable sources by completing the works and
        ensuring the permanent monitoring of the environmental impact of the
        hydropower development of the Olt River on Cornetu Avrig sector", in
        Romania

Dear Ms. Minister,

The Romanian Ministry of Environment, Waters and Forests presents its compliments to
the Ministry of Environment and Water of Bulgaria and has the honor to express
appreciation for our previous cooperation on environmental matters.

In accordance with Article 3 of the Convention on Environmental Impact Assessment in
a Transboundary Context (Espoo Convention), we hereby notify you about the following
project: " Increasing the amount of electricity generated from renewable sources by
completing the works and ensuring the permanent monitoring of the environmental
impact of the hydropower development of the Olt River on Cornetu Avrig sector", in
Romania.

Please find attached the Notification form in English language. In case you decide to
participate in this EIA procedure, please send us your answer to the notification by the
end of April 2023.

Also, we would appreciate if you would send us your comments and requirements for
the scoping document, along with the information relating to the potentially affected
environment on the territory of Republic of Bulgaria. This information will be used for
the preparation of the environmental impact assessment documentation.

We take this opportunity to express our appreciation regarding our fruitful cooperation
and our willingness to continue it in the future.

Please accept, Mr. Minister, the assurance of our highest consideration.

Sincerely,

Barna TÁNCZOS

Minister
