1.	44-OS/2008	Ministry of Environment and Water	"Comprehensive working project for the search and exploration of rock facing materials in the Brusino-South area	Brusino village, Zhelezin village, Cherni Rid village, Planinets village, and Nova Livada village, Ivaylovgrad municipality, Haskovo region.	ND	ND	2.52 sq. km	falls	not included
2.	45-OS/2008	MOS	Comprehensive working project for the search and exploration of rock facing materials in the area of "Pastrook"	village of Pastrook and village of Zhelezin, municipality of Ivaylovgrad, region of Haskovo.	ND	ND	9.83 sq. km	falls	falls
3.	46-OS/2008	MOS	Comprehensive working project for the search and exploration of rock facing materials in the area "Kobilino-South"	Cherni Rid village, Kobilino village, Zhelezin village, Pokrovan village, and Plevun village, Ivaylovgrad municipality, Haskovo region.	ND	ND	22.0 sq. km	falls	falls
4.	56-OS/2008	MOS	Comprehensive working project for the search and exploration of rock facing materials in the	village of Lozengradtsi, municipality of Kirkovo, region of Kardzhali	ND	ND	62.0 decares (0.06 km)	falls	does not fall

			area of "Malkata Reka"						
5.	57-OS/2008	MOSV	Comprehensive working project for the search and exploration of rock facing materials in the area of "Sapetlieva Niva"	Kobilino village, Ivaylovgrad municipality, Haskovo region.	ND	ND	80.7 decares (0.08 sq. km)	falls	does not fall
6.	58-OS/2008	MOSV	Comprehensive working project for the search and exploration of rock facing materials in the Razklona area	Cherni Rid village, Ivaylovgrad municipality, Haskovo region.	ND	ND	141892 sq. m. (0.14 sq. km)	falls	does not fall
7.	91-OS/2008	Ministry of Environment and Water	Comprehensive working project for the search and exploration of construction materials in the area of "Ganchoviy Chukar"	Kobilino village, Ivaylovgrad municipality, Haskovo region.	ND	ND	102,375 sq. m (0.10 sq. km)	falls	does not fall
8.	24-OS/2009	MOSV	Comprehensive working project for the search and exploration of rock facing materials in the area of "Dubovata Koria"	Lozengradtsi village, Kirkovo municipality, Kardzhali region	ND	ND	0.094 sq. km	falls	not included
9.	43-OS/2009	MOS	Comprehensive working project for the search and exploration of construction materials	Sedlovina village, Kardzhali municipality, Kardzhali region	ND	ND	0.18 sq. km	falls	not included

			in the area "Zhelezna vrata 3"						
10.	59-OS/2009	MOS	Forest management plan (FMP) of the State Forestry Enterprise (SFE) "Kirkovo"	the lands of the villages located in the municipality of Kirkovo, Kardzhali region	ND	ND	12698.6 ha (126.99 sq. km)	falls	does not fall
11.	81-OS/2009	Ministry of Environment and Water	"Archaeological research on the earliest traces of human presence in the Eastern Rhodopes - interdisciplinary studies"	Oreshari village, Krumovgrad municipality, Kardzhali region	ND	ND	ND	included	does not fall
12.	107-OS/2009	MOS	Comprehensive working project for the exploration and research of non-metallic minerals - industrial minerals in the area of "Duvan Dere"	Sokolino village, Obichnik village, and Pleshintsi village, Momchilgrad municipality, Kardzhali region.	ND	ND	2.7 sq. km	falls	does not fall
13.	110-OS/2009	MOS	Comprehensive working project for the study of construction materials in the "Dzeni" area	village of Glukhar, municipality of Kardzhali, Kardzhali region	ND	ND	0.37 sq. km	falls	not included
14.	112-OS/2009	MOS	Comprehensive working project for the study of rock facing materials in the area of "Dyulina Mahala", village of Zhelezin, municipality of	Zhelezin village, municipality of Ivaylovgrad, Haskovo region	ND	ND	0.30 sq. km	falls	not included

			Ivaylovgrad, Haskovo region						
15.	122-OS/2009	MOS	Forest Management Plan (FMP) of the State Forestry Enterprise (SFE) "Krumovgrad"	The territory of the Krumovgrad State Forestry Enterprise covers the entire municipality of Krumovgrad with all its settlements , Kardzhali region	ND	ND	ND	Partially included	Partially included
16.	20-OS/2010	MOSV	Comprehensive working project for the exploration of underground resources - rock facing materials in the Plaki area	Kobilino village, Ivaylovgrad municipality, Haskovo region.	ND	ND	0.03 sq. km	falls	not included
17.	21-OS/2010	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Aglikina Polyana" area	village of Egrek, village of Golyam Devisil, and village of Devisilovo, municipality of Krumovgrad, region of Kardzhali	ND	ND	2.6 sq. km	falls	not included
18.	51-OS/2010	MOS	Comprehensive working project for the exploration and research of metal minerals in the Kesebir area	municipality of Krumovgrad, region of Kardzhali	ND	ND	198.00 sq. km	falls	falls partially
19.	121-OS/2010	MOS	"Comprehensive working project for the exploration of underground	Kobilino village and Cherni Rid village, Ivaylovgrad	ND	ND	0.75 sq. km	falls	not included

			resources - rock facing materials in the Karadzhayka area	municipality, Haskovo region.					
20.	124-OS/2010	MOS	Project for the construction of a base for intensive game management (BISD) on the territory of the State Forestry Enterprise (SFE) "Ivaylovgrad", Game Management Area (GMA) "Armutli"	Cherni Rid village, Ivaylovgrad municipality, Haskovo region ND	ND	ND	2,803.616 decares (2.8 sq. km)	falls	does not fall
21.	125-OS/2010	Ministry of Environment and Water	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Sulitsa-1" area	Sindeltsi and Batkovtsi villages, Momchilgrad municipality, Kardzhali region.	ND	ND	0.2 sq. km	falls	not included
22.	126-OS/2010	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Gichita" area.	Pokrovan village, Ivaylovgrad municipality, Haskovo region.	ND	ND	0.23 sq. km	falls	not included
23.	130-OS/2010	MOS	Comprehensive working project for the exploration and research of non-metallic minerals - industrial minerals in the Hubavets area	in the municipality of Momchilgrad, Kardzhali region.	ND	ND	9.56 sq. km.	Partially included	not included

24.	22-OS/2011	MOS	Comprehensive working project for the exploration of underground resources — rock facing materials in the Kamikite area	Brusino village, Ivaylovgrad municipality, Haskovo region ND	ND	ND	0.06 sq. km	falls	not included
25.	23-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Kalora" area	Kobilino village, Ivaylovgrad municipality, Haskovo region	ND	ND	0.02 sq. km	falls	not included
26.	24-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Chervenka Dol" area	village of Sokolentsi, municipality of , Ivaylovgrad, Haskovo region	ND	ND	0.13 sq. km	falls	not included
27.	27-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the Boruna area.	village of Pokrovan, municipality of Ivaylovgrad, region of Haskovo, with an area of	ND	ND	0.36 sq. km	falls	does not fall
28.	31-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Parzhenaka-1" area	Cherni Rid village, Ivaylovgrad municipality, Haskovo region ND	ND	ND	0.142 sq. km	falls	not included

29.	32-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the area of "Gankinata Path"	Kobilino village, Ivaylovgrad municipality, Haskovo region ND	ND	ND	0.15 sq. km	falls	not included
30.	33-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Tiklite" area	village of Brusino, municipality of Ivaylovgrad, region of Haskovo, with an area of	ND	ND	0.12 sq. km	falls	not included
31.	39-OS/2011	MOS	Comprehensive work plan and annual work plan for the first year of the permit for prospecting and exploration of underground resources — oil and natural gas in the territory of Haskovo Province, within the boundaries of Block 1-18 Trakiya, Haskovo Province	the territory of Haskovo Province	ND	ND	940.12 sq. km.	falls	does not fall
32.	40-OS/2011	MOS	Comprehensive working project for the exploration of underground resources - rock	Brusino and Planinets villages, Ivaylovgrad municipality, Haskovo region	ND	ND	0.89 sq. km	falls	not included

			facing materials in the "Neda" area						
33.	41-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Kamilkite" area	Brusino, municipality of Ivaylovgrad, region of Haskovo	ND	ND	0.06 sq. km	falls	not included
34.	49-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Sulina-1" area	Karamfil village and Sindeltsi village, Momchilgrad municipality, Kardzhali region.	ND	ND	0.2 sq. km	falls	not included
35.	50-OS/2011	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Gichnata" area	village of Pokrovan. municipality of Ivaylovgrad, district of Haskovo	ND	ND	0.23 sq. km	falls	does not fall
36.	04-OS/2012	MOS	Comprehensive working project and annual working project for the first year of the permit for prospecting and exploration of underground resources — metal minerals within the boundaries of the "Iran Tepe" area	the territory of the municipality of Krumovgrad, Kardzhali region.	ND	ND	68 sq. km.	Partially covered	not included

37.	25-OS/2012	MOS	Comprehensive working project and annual working project for the first year of the permit for prospecting and exploration of underground resources - metal minerals within the boundaries of the "Kondovo" area	in the territory of the municipality of Ivaylovgrad, Haskovo region.	ND	ND	125 sq. km	falls	falls
38.	38-OS/2012	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Vetrovala" area	Kobilino village, Ivaylovgrad municipality, Haskovo region	ND	ND	0.11 sq. km	falls	does not fall
39.	41-OS/2012	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Karaagach" area	village of Pokrovan, municipality of Ivaylovgrad, region of Haskovo	ND	ND	0.09 sq. km	falls	not included
40.	01-OS/2013	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Krusite" area	Brusino village, Ivaylovgrad municipality, Haskovo region.	ND	ND	0.28 sq. km	falls	not included
41.	02-OS/2013	MOS	Comprehensive working project for	Sindeltsy village, Karamfil village, and	ND	ND	1.5 sq. km	falls	not included

			the exploration of underground resources - rock facing materials in the "Zalez" area	Pazarci village, Momchilgrad municipality, Kardzhali region.					
42.	18-OS/2013	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Kladencheto" area	in the villages of Zhelezin and Cherni Rid, municipality of Ivaylovgrad, region of Haskovo.	ND	ND	1.07 sq. km	falls	does not fall
43.	19-OS/2013	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Sarakiya" area	village of Dolna Kula, municipality of Krumovgrad, region of Kardzhali	ND	ND	1.94 sq. km	falls	does not fall
44.	20-OS/2013	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the area of "Pchelari"	Pchelari village and Golobradovo village, municipality of Stambolovo, Haskovo region.	ND	ND	0.99 sq. km,	falls	not included
45.	25-OS/2013	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Matilda" area	Kobilino village, Ivaylovgrad municipality, Haskovo region.	ND	ND	0.36 sq. km	falls	not included
46.	28-OS/2013	MOS	Comprehensive working project for	Gornoseltsi village, Ivaylovgrad	ND	ND	1.3 sq km	falls	does not fall

			the exploration of underground resources - rock facing materials in the "Krusitsa" area	municipality, Haskovo region.					
47.	29-OS/2013	MOSV	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Duvan Tepe" area	Golyama Chinka village, Krumovgrad municipality, Kardzhali region	ND	ND	0.04 sq. km	falls	not included
48.	30-OS/2013	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the area "Sapetlieva Niva-2"	Kobilino village, Ivaylovgrad municipality, Haskovo region.	ND	ND	0.06 sq. km	falls	not included
49.	31-OS/2013	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the area of Barishnitsa"	Kobilino village, Ivaylovgrad municipality, Haskovo region ND	ND	ND	0.107 sq. km	falls	not included
50.	32-OS/2013	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the Balaka area	village of Huhla, municipality of Ivaylovgrad, region of Haskovo	ND	ND	0.68 sq. km	falls	not included

51.	35-OS/2013	MOS	Comprehensive working project for the exploration and research of underground resources - non-metallic minerals - industrial minerals within the boundaries of the Svetoslav area	Svetoslav village and Byal Kladenets village, Stambolovo municipality, Haskovo region.	ND	ND	1.6 sq. km.	Partially included	Not included
52.	39-OS/2013	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the area of "Kolyovia Kladenets"	village of Pokrovan, municipality of Ivaylovgrad, region of Haskovo,	ND	ND	0.28 sq. km	falls	does not fall
53.	49-OS/2013	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Lozinkite" area	in the villages of Sokolentsi and Planinets, municipality of Ivaylovgrad, region of Haskovo.	ND	ND	0.85 sq. km	falls	not included
54.	50-OS/2013	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Matilda" area	Kobilino, municipality of Ivaylovgrad, region of Haskovo	ND	ND	0.36 sq. km	falls	not included
55.	56-OS/2013	Ministry of Environment and Water	"Comprehensive working project for the exploration of	Gornoseltsi village, Ivaylovgrad	ND	ND	1.3 sq. km	falls	not included

			underground resources - rock facing materials in the Krushitsa area	municipality, Haskovo region.					
56.	65-OS/2013	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Kuz" area	Kobilino village, Ivaylovgrad municipality, Haskovo region.	ND	ND	0.34 sq. km	falls	not included
57.	66-OS/2013	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the "Vareno" area	in the villages of Zhelezin and Nova Livada, municipality of Ivaylovgrad, region of Haskovo.	ND	ND	0.14 sq. km	falls	not included
58.	04-OS/2014	MOS	"Comprehensive working project for the exploration of underground resources - rock facing materials in the area of "Genchovya Bunar"	in the villages of Zhelezin and Nova Livada, municipality of Ivaylovgrad, region of Haskovo.	ND	ND	ND	falls	does not fall
59.	08-OS/2014	MOS	Forest Management Plan (FMP) and Hunting Management Plan (HMP) of the State Forestry Enterprise (SFE) "Ivaylovgrad",	the lands falling within the boundaries of the municipality of Ivaylovgrad, Haskovo region	ND	ND	ND	falls	falls
60.	31-OS/2014	MOS	Comprehensive working project for	Golyama Chinka village, Krumovgrad	ND	ND	0.21 sq. km	falls	not included

			the exploration of underground resources - rock facing materials in the "Chinka-2" area	municipality, Kardzhali region.					
61.	35-OS/2014	MOS	Forest Management Plan (FMP) and Hunting Management Plan (HMP) of the State Forestry Enterprise (SFE) "Haskovo"	forest and agricultural areas in the municipalities of Haskovo, Dimitrovgrad, Mineralni Bani, and Stambolovo, Haskovo region	ND	ND	ND	Partially covered	Partially covered
62.	014-OS/2015	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Laleto" area	Huhla village, Ivaylovgrad municipality, Haskovo region	ND	ND	ND	falls	does not fall
63.	21-OS/2015	MOS	Forest Management Plan (FMP), Hunting Management Plan (HMP), and Plan of Activities for the Protection of Forest Areas from Fires (PAFPAF) of the State Forestry Enterprise (SFE) "Svilengrad"	forest and agricultural areas in the municipalities of Svilengrad and Lyubimets, Haskovo region	ND	ND	ND	falls	does not fall
64.	01-OS/2016	MOS	Comprehensive working project for the exploration of underground resources - rock	Brueno and Planinets villages, Ivaylovgrad municipality, Haskovo region.	ND	ND	0.08 sq. km	falls	not included

			facing materials in the area of "Manolovata Vodena"						
65.	11-OS/2016	MOS	Forest Management Plan (FMP), Hunting Management Plan (HMP) and Plan of Activities for the Protection of Forest Areas from Fires (PAPFAF) of the State Forestry Enterprise (SFE) "Harmanli"	forest and agricultural areas in the territories of the settlements of the municipalities of Harmanli and Simeonovgrad, Haskovo region	ND	ND	ND	falls	does not fall
66.	15-OS/2016	MOS	Comprehensive geological project for the exploration of underground resources - rock facing materials in the area of "Melnitsata-2",	village of Zhelezin, village of Nova Livada, village of Planinets, village of Pastrook, and village of Sokolentsi, municipality of Ivaylovgrad, Haskovo region	ND	ND	ND	included	does not fall
67.	18-OS/2016	MOS	Comprehensive geological project for the exploration of underground resources - rock facing materials - amphibolites in the Baroto area	Lozengradtsi village, Kirovo municipality, Kardzhali region	ND	ND	0.087 sq. km	falls	not included
68.	20-OS/2016	MOS	Comprehensive geological project for the exploration of underground resources -	village of Letovnik, municipality of Momchilgrad, region of Kardzhali	ND	ND	0.231 sq. km	falls	not included

			construction materials - andesite basalts in the Tetrata-2 area						
69.	21-OS/2016	MOS	Comprehensive working project for the study of rock facing materials - underground resources in the "Kosharite" area	Kobilino village, Ivaylovgrad municipality, Haskovo region.	ND	ND	0.58 sq. km	falls	not included
70.	26-OS/2016	MOS	Comprehensive project for the exploration and research of underground resources - rock facing materials in the "DARI" area	Kobilino village, Ivaylovgrad municipality, Haskovo region,	ND	ND	0.199 sq. km	falls	not included
71.	28-OS/2016 and 28-A- OS/2016	MOS	Forest Management Plan (FMP), Hunting Management Plan (HMP) and Plan of Activities for the Protection of Forest Areas from Fires (PAPFAF) of the Territorial Enterprise (TE) State Hunting Enterprise (SHE) "Zenda" in the part of the former TE State Forestry Enterprise "Kardzhali"	forest and agricultural areas in the territories of the settlements in the municipality of Kardzhali and parts of the territories of the villages of Barza Reka and Patitsa, municipality of Chernoochene, Kardzhali region	ND	ND	ND	falls	does not fall
72.	01-OS/2017	MOS	Comprehensive working project for	the villages of Arven, Blagun, Golyam Devesil,	ND	ND	63.8 sq. km	falls	falls

			the search and exploration of underground resources - metal minerals in the area of "BLAGUN"	Golyamo Kamenane, Devesilitsa, Devesilovo, Malak Devesil, Siniger, Chernichevo, and Strazhets, municipality of Krumovgrad, region of Kardzhali.					
73.	08-OS/2017	MOS	Comprehensive working project for the exploration and research of metal minerals - underground resources in the area of "Iran Tepe",	Momchilgrad Municipality and Krumovgrad Municipality, Kardzhali Province.	ND	ND	55.11 sq. km	falls	not included
74.	09-OS/2017	MOS	Comprehensive working project and annual working project for the exploration and research of underground resources - metal minerals in the "Tintyava" area	municipality of Ivaylovgrad, Haskovo region and municipality of Krumovgrad, Kardzhali region, is 163.60 km ²	ND	ND	163.60 sq. km ²	falls	falls
75.	10-OS/2017	MOS	Forest Management Plan (FMP), Hunting Management Plan (HMP) and Plan of Activities for the Protection of Forest Areas from Fires (PAPFAF) of the State Forestry	forest and agricultural areas in the territories of the settlements in the municipality of Madzharovo, Haskovo region	ND	ND	ND	falls	does not fall

			Enterprise (SFE) "Madzharovo"						
76.	19-OS/2017	MOS	Forest Management Plan (FMP), Hunting Management Plan (HMP) and Plan of Activities for the Protection of Forest Areas from Fires (PAPFAF) of the State Forestry Enterprise (SFE) "Kirkovo"	forest and agricultural areas in the territories of the settlements in the municipality of Kirkovo, Kardzhali region	ND	ND	ND	falls	does not fall
77.	23-OS/2017	Ministry of Environment and Water	Forest Management Plan (FMP), Hunting Management Plan (HMP) and Plan of Activities for the Protection of Forest Areas from Fires (PAPFAF) of the Territorial Enterprise (TE) State Forestry (SFS) Momchilgrad	the state forest and agricultural areas in the territories located within the boundaries of the municipalities of Momchilgrad and Dzhebel, Kardzhali region	ND	ND	ND	falls	does not fall
78.	27-OS/2017	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Bunara" area	in the villages of Zhelezin and Cherni Rid, municipality of Ivaylovgrad, region of Haskovo.	ND	ND	1.07 sq. km	falls	does not fall
79.	13-OS/2018	MOS	Forest Management Plan (FMP), Hunting Management Plan (HMP) and Plan for	forest and agricultural areas within the boundaries of all land in the municipality of	ND	ND	ND	falls	falls

			activities for the protection of forest areas from fires (PDPFAF) of the Territorial Division (TD) State Forestry (SF) "Krumovgrad"	Krumovgrad, Kardzhali region					
80.	19-OS/2018	MOS	Second version of an updated comprehensive working project for the exploration and research of underground resources - non-metallic minerals - industrial minerals in the "Balaban-3" area	the villages of Bryagovets, Padalo, Kozhuhari, and Stranjevo, municipality of Krumovgrad, region of Kardzhali, and the village of Bubino, municipality of Ivaylovgrad, region of Haskovo	ND	ND	4.57 sq. km	falls	does not fall
81.	23-OS/2019	MOS	Amendment to the Forest Management Plan (FMP) of the Territorial Division (TD) State Forestry Enterprise (SFE) "Ivaylovgrad",	forest areas in the territories located within the boundaries of the municipality of Ivaylovgrad, Haskovo region.	ND	ND	ND	falls	does not fall
82.	06-OS/2020	MOS	Comprehensive working project (CWP) for the exploration of underground resources - rock facing materials in the "Petkovoto-2" area,	village of Kobilino, municipality of Ivaylovgrad, region of Haskovo.	ND	ND	0.17 sq. km	falls	not included
83.	01-OS/2021	MOS	Comprehensive working project	the villages of Golyama Chinka, Grivka,	ND	ND	27.68 sq. km	falls	does not fall

			(CWP) for search and exploration of underground resources - metal minerals in the "Elhovo" area	Leshtarka, Malkata Chinka, Ribino, Samovila, Tokachka, Topolka, municipality of Krumovgrad, and the villages of Grivyak, Delvino, Svetlen, Metlichka, Plovka, Samokitka, Sekirka, Chavka, Chorbadzhiysko in the municipality of Kirkovo, Kardzhali region					
84.	02-OS/2021	MOS	Comprehensive working project for the exploration and research of underground resources - metal minerals in the "Chiirite" area	village of Malko Popovo and town of Madzharovo, municipality of Madzharovo. village of Brusevtsi and village of Chernichino, municipality of Ivaylovgrad, Haskovo region.	ND	ND	10.39 sq. km	falls	not included
85.	14-OS/2021	MOS	Addendum to the 2021 annual work plan for conducting additional exploration activities for the search and exploration of underground resources - metal minerals within the concession area of the Khan Krum deposit	Gulia village, Dazhdovnik village, Zvarnaka village, Kaklitsa village, Malko Kamenane village, Ovchari village, and Sarnak village, Krumovgrad municipality, Kardzhali region	ND	ND	13.7 sq. km	falls	not included

86.	06-OS/2023	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the area of "Tabakova cheshma"	village of Zhelezin, municipality of Ivaylovgrad, region of Haskovo	ND	ND	0.081 sq. km	falls	not included
87.	16-OS/2023	MOS	Comprehensive working project for the exploration and research of underground resources - metal minerals in the "Krumovitsa" area	Krumovgrad municipality, Kardzhali region, with an area of	ND	ND	180.90 sq. km	falls	falls
88.	20-OS/2023	MOS	Comprehensive working project for the exploration and research of underground resources - metal minerals in the "Chukata" area	Ivaylovgrad, Svirachi village, Oreshino village, Belopoliane village, Odrynci village, Siv Kladenets village, Kostilkovo village, Mandritsa village, Dolno Lukovo village, and Meden Buk village, municipality of Ivaylovgrad, Haskovo region.	ND	ND	66 sq. km	falls	falls
89.	22-OS/2023	MOS	Comprehensive working project for the exploration of underground resources - rock facing materials in the "Bikovoto" area	Brusino village. Planinets village and Sborino village, municipality of Ivaylovgrad, Haskovo region.	ND	ND	0.63 sq. km	falls	does not fall

90.	05-OS/2024	Ministry of Environment and Water	Comprehensive working project for the study of underground resources - rock facing materials in the "Chiirite" area	village of Malko Popovo and town of Madzharovo, municipality of Madzharovo, village of Brusevtsi and village of Chernichino, municipality of Ivaylovgrad, Haskovo region.
