Work point: Oltenita, field 89, parcel A5774, lot 1, Calarasi County**

After analyzing: the notification sent by you to S.R.A.P.M. Calarasi prior to obtaining the building permit in observance with the environmental impact evaluation procedure, registered with A.P.M. Calarasi under no. 6905/ 30.07.2018 and Protocol no. 7033/03.08.2018 concluded during the meeting of the committee empowered to apply the provisions of Law no. 59/2016 on county level, we inform you the following:

- According to Note 4 at Annex no. 1 from Law 59/2016, on your site there is no substance or chemical compound taken individually, in a quantity higher or equal to relevant quantities and by applying the calculus formula the obtained amount is under the relevant value, we inform you that the provisions of Law 59/2016 on controlling the major accident hazards involving hazardous substances do not apply to you.
- You have the obligation to register a new notification if after completing the project new modifications occur that might change the content of the registered notification.
