

REPUBLIC OF BULGARIA
MINISTRY OF ENVIRONMENT AND WATER

1300-05
15 November 2019

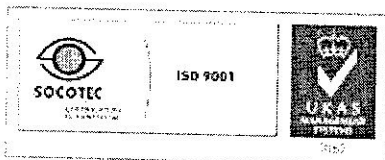

Subject: Notification under Article 3 of the Convention on Environmental Impact Assessment (EIA) in a Transboundary Context for the project "Construction of Heavy Water Tritium Removal Facility" (CTRF) on Cernavoda Nuclear Power Plant site.

Your Excellency,

We hereby confirm the receipt via electronic mail of a notification under Article 3 of the EIA Convention in a Transboundary Context (EIA Convention) as well as a presentation on the above project and inform you of the following:

Having acquainted with the information in the notification and considering the specifics of the project as well as the immediate proximity of the facility and the Nuclear Power Plant to the border with the Republic of Bulgaria, in accordance with Article 3, paragraph 3 of the EIA Convention, the Republic of Bulgaria expresses its willingness to participate in a transboundary EIA for the project Construction of Heavy Water Tritium Removal Facility" (CTRF) on Cernavoda Nuclear Power Plant site.

H. E. Mr Costel Alexe
Minister of Environment, Waters and Forests of Romania
12 Libertatii Blvd, Sector 5
040129, Bucharest
Romania

Sofia 1000, 22 Maria-Luisa Blvd

Phone: +359 2 940 6194, Fax: +359 2 986 25 33

I avail myself of the opportunity to extend my most cordial congratulations for your appointment as Minister of Environment, Waters and Forests of Romania and to wish your personal success and a lot of enthusiasm in order to address the global, European and regional environmental challenges and contribute to improving welfare of people.

Please accept, Your Excellency, the assurances of my highest consideration.

Yours sincerely,

Neno Dimov
Minister of Environment and Water
