With the present letter we would like to inform you that by Decision № 2-II/2014 of the Minister of Environment and Water the EIA procedure and the compatibility assessment for the investment proposal "Energy Project Lom Lignite, Lom Municipality and Brusartsi Municipality, Montana Region" have been terminated since no corrected and complemented EIA report for the above-mentioned investment proposal was presented for quality evaluation within the deadline posed by the Minister.

Let me avail myself of the opportunity to express my highest consideration and willingness to continue the successful bilateral cooperation.

Yours sincerely,
