Subject: *Environmental Approval of the Masterplan "Protection and Rehabilitation of the Romanian Coastal Zone"*

DEAR MADAM MINISTER,

With the present letter we would like to inform you that we took notice of the Environmental Approval you had sent us which puts an end to the Strategic Environmental Assessment (SEA) procedure for the above mentioned project.

With regard to what you have described in your letter, we accept it as your confirmation that you will meet our expectations by yearly submitting the results from the monitoring during the implementation of the Masterplan and also by sending timely notifications of the projects under the Masterplan, pursuant to Article 3 of the Convention on EIA in a transboundary context.

I take the opportunity to express my wishes for a fruitful cooperation,

Sincerely Yours,

Nona Karadjova
