**MAYOR OF RUSE MUNICIPALITY**

**OBSERVATION**

**Regarding:** *Submitted to RIEW – Ruse notification about investment proposal for “Reconstruction and refurbishment of existing overhaul pier for re-loading activities and warehouse for in-bulk materials (aggregate) and other loads”, entry No AO 3140/19.05.2011*

The investment proposal: *“Reconstruction and refurbishment of existing overhaul pier for re-loading activities and warehouse for in-bulk materials (aggregate) and other loads”* with location RLP IV-102 pp, Eastern Industrial Zone subject to the plan of town Ruse, according to scheme No KP1-684 of 11.05.2011, issued by department “Cadastre and Regulations” with Ruse Municipality, **does not fall** within the scope of Annexes No 1 and 2 to Article 92, item 1 and Article 93, paragraph 1, item 1 and 2 of the *Environment Protection Act – EPA* (SG, issue 91/2002, amended and supplemented issue 105/2008, SG, issue 61/2010). In reference to the aforesaid, the realization of the investment proposal **is not subject to** the application of the provided in Chapter 6 of EPA procedures on environment impact assessment.

The proposal shall be realized within the regulation boundaries of town Ruse and does not affect protected territories, pursuant to the *Protected Territories Act* (SG, issue 133/1998, amended and supplemented SG, issue 19/2009) or protected zones, pursuant to the *Biodiversity Act* (SG, issue 77/2002, amended and supplemented SG issue 62/2010).

The location and character of the submitted proposal do not create preconditions for origination of negative impacts on the species and habitats, subject to protection in the nearest protected zones.

Pursuant to Article 2, paragraph 2 of the *Ordinance on the terms and conditions for conducting assessment on compatibility of plans, programs, projects and investment proposals with the subject and the targets of conservation of protected zone* – The Ordinance on compatibility assessment (SG, issue 73/11.09.2007, amended and supplemented SG, issue 81/2010) the assessment of RIEW – Ruse is that procedure in line with Chapter two of the Ordinance on compatibility assessment is **not necessary** to be conducted.

During the discharge activities the requirements of Article 70 of Ordinance No 1 on standards for admissible emissions of harmful substances (pollutants), released into the atmosphere from sites and activities with immobile sources of emissions (SG, issue 64/2005) shall be observed.
